Subject: house breakin at Krysta's

Hi Marlene - You predicted right - Krysta had a house breakin - the punks dropped their cellphone in her living room. They broke into via the window and took booze, etc. She is making a police report as I type.

She is nearly all moved out from that address - officially her last day is Jan 31st but I told her to move all her things home today.

Nothing new with Dad - will call you if there are any changes.

Love Lynn

Thanks for coming and helping us get starting on all this! Susie just called me tonight and said we must give Dad lots of time so hopefully he will get better.
