Mrs. Legare has been under my medical care since 1980. During this time she has been seen for routine visits and annual check ups. I have never treated her for any alcohol or drug abuse or any mental illnesses. I have no reason to suspect any of the above.

TO WHOM IT MAY CONCERN

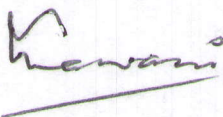

Re: Marlene Legare,
DOB: 28 Aug 1951 60y 8m,

This letter will confirm that Marlene Legare was a patient under my care continuously from January 28, 1980 to October 20, 2004.

More recently, she has again been under my medical care since June 30, 2011.

During the above times, she was seen for routine visits and for annual checkups. I have never treated her for any alcohol or drug abuse or for any mental illness. I have no reason to suspect any of these conditions in her.

Kind Regards

Dr. Shiraz Mawani
