To Marlene Legare:

This will confirm the facts that:

- 1) Our Father – Lionel Bouchard's Passport went missing between the time you entered his home on Friday, January 27<sup>th</sup>, 2006 and January 30<sup>th</sup>, 2006 when you last entered our father's home.
- 2) I have had a long discussion with our Father and he is not in possession nor does he know where his passport is.
- 3) He believes that you either know the whereabouts of his passport or that you in fact have it in your possession.
- 4) This is to notify you that you have 24 hours to return the passport to me, Lynda Staub by return courier at my office or in the alternative leave a message on my home phone number at 1-204-633-4345 as to the whereabouts of the passport or we will be reporting the passport stolen. Please be advised that possession of a stolen passport is a federal offence punishable by two years in prison.

ANDY HAD  
THE  
PASSPORT  
& BLAMING  
MARLENE!

Good luck.  
Doreen

PS Dad found his passport in his papers in his room.

PPS When I called Dad earlier today, I had to repeat my name almost 4 times

... I don't know why, maybe his hearing, but he couldn't 'place' me, it seemed... even though I just spent a whole day & sleepover with him.

Leona had the same experience with him when he was in the hospital. So... his condition is confusing to us also... still... at times... we have to wait, take it all 1 day at a time.....

PPS Andre & I have discussed his 'indiscretions' towards me when we were young; I NEVER, ever made the allegations that Marlene said I did in about 3

of her recent eMails; I never had any intentions of filing charges, as she says; he has apologized sincerely; we are ok about it.
