Dear Ms. Legare:

Pursuant to our conversation last week, I have contacted Colleen McDuff and made inquiries regarding your father and him wanting to have contact with you. Ms. McDuff advised that she had not heard from Mr. Buchard in some time, but she would contact him to discuss this matter.

Upon receiving a response from Ms. McDuff I will contact you forthwith.

Yours truly,

Talked to Pepere Bouchard for Father's Day - he wants your Mom's phone number - he feels that he owes her an apology for not believing her - she had some valid concerns about your Auntie Lynda and Uncle Andy's behaviour around Memere. Of course, your Mom had them both pegged correctly, and Pepere would like to make amends before he dies also.

↳ GAANDOMA - Jeannette Van Steelant

If you have a number for her, I will pass it on to Pepere.

thanks

Auntie Leona (still coming down????) eliott will be in Edmonton the first two weeks in July working with Linner (Lindsay) Bouchard. Linner is doing a two-week job at the MacDonal Hotel and could use a helper and has unlisted eliott - good money for sure . . .

Auntie Doreen will be making a short trip this way also this summer - we would both love to see you . . .
