

province. Naturally, she wishes to visit her father and other family members and ought to be allowed to do so. Continuing her present prohibition, although arising out of disobedience of a court order as I understand it, appears to be due to the resistance of the crown prosecutor involved. Based upon the exchange of emails I have read her resistance appears to be due to an unusually close connection to family members who promoted the prosecution. It is time to allow Marlene Legare to come to Manitoba immediately to assist her father in settling into his new accommodation. Please note my information is that the prohibition will expire in February 2009, in any event, but as was originally agreed among all or most of the siblings in 2006, when my client was being released from hospital, Marlene Legare was to provide her father with assistance in settling back into his home. I believe such cooperative action will go a long way to restore some peace among family members and reduce the pain and anxiety being suffered by my client. ←

This event that appears to have been arranged by your client requires an explanation.

Winston,

During the week a lady with a briefcase showed up for Dad at Mike's. Mike did not get

her business card or licence plate #.....or to ask her what she was about....he dropped the ball there.

Sunday night, Andy sent a cousin with his family and his mother to Mike's on the pretext

of wanting to take Dad out for Chinese supper - which he declined.

Mike was supposed to meet Andy at the farm to pick up a few things for Dad himself yesterday.

Mike decided to take it upon himself (against my instructions) to take Dad there at 5:00 p.m.

Told him Dad should not go, but at the very least take extra witnesses which does not appear to be what happened.

Am not getting good vibes on this as Dad's cell was off all last night and then Mike shut off his phone/fax when I tried calling to see how they made out.

I am sensing an ambush by Andy to avoid court!!!

Mike always thinks he has everything under control and "nothing will ever happen" I can handle Andy is his attitude and he has had egg on his face several times in the past as he

If family feel Mr. Bouchard is not competent to handle his own affairs and there is any intention of pursuing this in the courts, I would suggest referring Mr. Bouchard to Dr. Barry Campbell at St. Boniface Hospital for a formal competency assessment. In my view he is capable of fully participating in decisions related to finances, health and living circumstances. Thanks for referring this very pleasant man.

Sincerely Yours
