Dear Winston:

Re: Lionel Bouchard  
Our File # I08-13861

ASSIGNMENT

We were requested to assist in conveying Mr. Lionel Bouchard out of town and onto an aircraft bound for Vancouver. Mr. Bouchard, it was feared was in danger from his son and the person Lionel was staying with, and as his daughter in Vancouver wanted him with her for his safety, you felt it best to offer Mr. Bouchard the opportunity to leave town and journey to Vancouver to be with his daughter.

We were also required to recover a van that had been given to Mr. Bouchard for his exclusive use by his daughter. The van remained in his daughter's name; however, Lionel was to have the use of it until he could no longer drive and then it was to be returned to Marlene. For some reason the person that Lionel was staying with had locked the van up in his garage.

Please note that the van problem will be handled out of a separate file, and will not be reported on, within this report. This report will only deal with assisting Lionel to safely leave town.

SUBJECT

LIONEL BOUCHARD  
Town of Elie  
Manitoba.

The subject is a male in his mid-eighties. He is a very friendly guy and seems to be totally "with it" as he shows no signs of not being aware of what is going on around him.

We actually enjoyed his company on the way to Regina. He pointed out many things from his past and commented on several current issues. He was very concerned with the fact that his family was divided in their support for his current and future well being. One side of his family said that if he had contact with the other side they would not wish to associate with him anymore, nor would he be allowed to see his grandchildren and this, he found very hard to understand and it hurt him.

### DETAILS

We spoke to Mr. Smith on August 18, 2008 and he set out the basic details of this matter. It would appear that he was worried that if his client remained in Manitoba, that he feared that something might happen to Mr. Bouchard. This stemmed from a current outstanding lawsuit involving Mr. Lionel Bouchard and his son **ANDRE BOUCHARD**. Mr. Smith concluded that a number of incidents that had occurred involving Andre Bouchard lead him to believe that Lionel could be in danger and he felt that Mr. Bouchard should leave town for some time, while he dealt with Andre and Andre's lawyer. Currently Andre's lawyer was on vacation. In any case it was agreed that we would meet at Mr. Smith's office at 9:00 a.m. to discuss this situation further and to construct a plan of action.

On August 19, 2008, we met at Mr. Smith's office located at 201 - 3111 Portage Avenue, Winnipeg, Manitoba. At the meeting were **Winston Smith, David Yaskiw and Gordon Oliver**. Both David and Gordon are from **Oliver, Yaskiw & Associates Inc.**, a local Investigation and Security firm.

Mr. Smith, once again set out his concerns involving his client Lionel Bouchard. He said he had talked to Lionel's daughter **MARLENE LEGARE** of 12345 - 234 Street, Maple Ridge, British Columbia, V2X 0N7. She also feared for her father's safety and she was willing to pay for her father's trip to B.C. as well as the escort. She had also indicated that she, in addition, wanted the 2007 Dodge Van that she had given to her father for his use, secured and returned to her in Maple Ridge.

Various aspects of this matter were discussed and it was agreed that if Mr. Bouchard wished to journey to Maple Ridge to visit his daughter, that we would escort him to the airport and make sure that he got on the plane safely. It was further agreed that we would come back to Mr. Smith's office at 2:00 p.m. at which time he was meeting with Lionel and if Lionel agreed to go to B.C. we would escort him accordingly. It was decided that to fly out of Winnipeg was too risky and that if we tried to do so Andre Bouchard and **MIKE SLEGERS** would try and prevent his leaving by contacting the police. Although we felt confident that we could deal with Andre, Mike and the police, we also felt that we did not need the hassle, nor did we want to upset our charge. There was also a chance that if the police did get involved that we would have to spend a lot of time explaining the situation to them and there was always the chance that they would not believe our story and if this happened, Lionel would be held up for some time.

In any case, we returned at 2:00 p.m. and we were told that Mr. Smith was with Lionel. We sat around the office until after 4:00 p.m. when we were called into meet with

Winston and Lionel. We discussed a number of issues and then we left to bring the car around to the back of the building, as we had agreed that we would take the rear entrance (as the front entrance was probably watched by Andre or Mike). By 4:30 p.m. we had brought Lionel down and got him settled in the car. As we drove off, Lionel wanted us to stop and get his duffel bag from the truck he had come in, but we refused to do so. He indicated that he had his medication in the duffel bag along with his Passport, etc. We wanted to clear town before Andre or Mike noticed Lionel was missing and did not feel stopping at this time was a very good idea.

We first drove to Elie, Manitoba, and stopped at the local Pharmacy. We wanted to get Lionel's prescriptions filled. In any event, after stopping in Elie, we continued to drive west on #1 highway. Our destination was the Regina Airport. At this point it should be mentioned that the plan was that once we got on our way, two other members of our company would retrieve the car. Winston was to inform Mike Slegers that he was to turn the vehicle over to our custody along with Mr. Bouchard's belongings. This part of the matter will be reported under a separate file. *It should be noted that Andre and Mike gave our people a lot of trouble over returning the van, not to mention the fact that David and I took Lionel away without their knowledge.* From what occurred, it would seem that should we have taken Mr. Bouchard to the Winnipeg Airport, we would have had trouble with not only them, but also the police. Andre reported that we had kidnapped his father and taken him to the airport.

*Please note that while we were on the road, we received a call from our office (Denise Banin), indicating that the police had called and wanted a call from the persons that had taken Lionel away in a "security vehicle". They were under the impression that we had taken him to the airport in Winnipeg. On receiving this call, we spoke to Winston and he agreed to return the call to the police and explain to them what had occurred and that we did not "kidnap" Lionel, but that he was with us on a "voluntary basis". We later received a call from Winston who indicated, that he had spoken to the police and had explained everything to them and all was well.*

We stopped in Brandon for dinner and then carried on to Regina. We spoke to Marlene a number of times and she tried to arrange a flight out of Regina that evening, however there were no seats available. A flight was however arranged for 8:00 a.m. the next morning.

On getting to Regina, we had a very difficult time getting hotel rooms. The reason for this difficulty was that several special events were going on and all the hotels were full. We did finally manage to get two rooms at the Quality Inn, but had to pay a premium for their last two rooms.

The next morning we got Lionel up and drove him to the airport, where we had breakfast. We got him checked in and obtained his ticket. After breakfast Lionel cleared security and waited in the holding area, to fly to Vancouver. We stayed at the airport, keeping him under observation until he boarded the aircraft and we observed him fly off to his

destination. We then drove back to Winnipeg, stopping in Brandon for lunch. We arrived back in Winnipeg later in the afternoon.

CONCLUSION

We were able to successfully convey Mr. Bouchard to the Regina Airport without incident. We believe that had we stopped to pick up his duffel bag, that we would have had some difficulties with the other family members. We also believe that had we taken him to the Winnipeg Airport, that we again would have encountered some problems, not only with the family, but also with the police.

REMARKS

As mentioned above, the recovery of the van will be reported under separate cover. We would also like to bring to your attention, that as we spent some time with Mr. Bouchard, we did end up talking to him a great deal and in return he talked to us. From the short time that we were with him, it became apparent that perhaps something might be wrong in respect to his finances. He has no pension to speak of. Lionel does receive both CPP and old age pension (about \$1300 month). He sold his farm to his son Andre and recently received an Insurance settlement (amount unknown). Lionel does not seem to be a big spender. For some time, he lived at the old homestead and later lived with Mike and at an Elderly Persons Residence, as well as spending some time in the hospital. During our conversation Lionel advised us he had very little money as his family had taken it. Based on this fact, and the fact that as he spends very little money, you might consider doing some form of Forensic Financial Investigation to see where his money has gone. Considering what we know of the family, it is highly possible that they have helped themselves to what little money Lionel should have left. Andre's record with his father is certainly in question. Lionel also advised us that while he was away (in the hospital), Andre and Mike broke into his safety deposit box, which he kept at Mike's home and took most of its contents. The contents contained mostly personal papers, contracts, legal documents, etc.

In any case if we can help you with this matter further, please advise. We would at this time like to thank you for referring this case to Oliver, Yaskiw & Associates. As this facet of the matter seems to be complete, we are submitting our service invoice, which we trust you will find in order. Please note that if you have any questions about any aspect of this case, please feel free to contact this writer.

Yours very truly,  
Oliver, Yaskiw & Associates Inc.

**ASSIGNMENT**

As reported in our file I08-13861 (Lionel Bouchard), we have treated this facet of the overall file, as a separate matter. Although, done at the same time, as the Bouchard Extraction, this case was handled by a second team of investigators.

*In this case, we were asked to help recover a van that was given to Mr. LIONEL BOUCHARD by his daughter MARLENE LEGARE. This assignment was to be done immediately after the other team of investigators helped Mr. Bouchard leave Mr. Smith's office covertly.*

**CLIENT**

**Marlene Mary Legare**  
12345 - 234 Street  
Maple Ridge, British Columbia  
V2X 0N7

The client and registered owner of the van is one Marlene Legare. Ms. Legare purchased the van so that her father, Mr. Lionel Bouchard would have a reliable vehicle. His personal, older van was not very reliable in our harsh climate. The van in question had been driven by Lionel, until a few days before, when it had been placed in a shed on the farm of a Mr. Mike Slegers. The vehicle was locked in the shed and a second vehicle was placed in front of the shed door. No suitable explanation was given for this action.

Marlene,

This email is in response to our telephone discussion last night and I have now had the opportunity of reading your last ten emails, the last one being received this morning.

As explained yesterday, your father is (and has been) assessed as competent to handle his own affairs and make his own decisions. Accordingly, when you retained our firm on his behalf, we are acting for him and we must respond to his instructions even though you have made yourself responsible for his legal fees.

As his attorney, it is certainly correct that our responsibility is to advise him as to what he ought to do with regard to his life estate claim and to receive his instructions to act as he directs. You have provided your father with a very accurate picture of the forces that would appear to be acting against his best interests. However, notwithstanding my advice, I must follow his instructions. He has been warned about the consequences of dealing without counsel with Andy and with other members of the family, but that is as far as I can go. I must respect his instructions and I must respect his decisions. His decisions, whatever they may be at this point in time, have been made with the full knowledge and warning given to him by both you and I.

As an aside, I must confirm my advice to you when I first spoke with you that your father should be removed entirely from this environment here in Manitoba, if he expects to escape the consequences of the scheming members of his family. He may well have a right to a life interest in his home, but from what I observe, even if he achieves that goal, he will not escape continual harassment and grief.

With regard to the instructions I have received from your father, I am attaching a draft letter to Kelly Land for your review. I must say that based on the information that you have provided and the fact that I have not been able to communicate with your father today, it is unlikely that we will receive much of a satisfactory response, if any at all. However, I am following the instructions.

With respect to the substitute home that Andy apparently has undertaken to provide, I understand that search is still on. Please review the letter and let me know your comments.

With respect to your instructions to bring an ex-parte application, as I explained in our telephone conversation, such a move without any type of evidence is impossible. The bottom line is that your father has chosen a course of conduct despite all the advice that he has received from both you and I.

With respect to the use of your Power of Attorney and your suggestion that I lay charges of fraud and obstruction of justice, there are no grounds at this time to take any action to the police. There certainly is time, as I explained yesterday, to consider a complaint to the Land Titles Office about the actions of Lynda Staub, but I will not do so without the authority of your father. If such authority is not granted, it will only serve to diminish the issues and embarrass the parties.

With regard to lifting the Probation Order, I am prepared to work in that regard, but I suggest that we first of all determine what the response is from Kelly Land to my letter attached.

Regards,

PS. As I explained, I am "officially" out of the office until August 25, 2008. It is my strong suggestion that you try to contact your father and see what the situation is. I have left a message on his phone (781-6387) this morning, but at time of dictating this email, there has been no response. I will also attempt to reach him through Mike's phone, but the arrangement is that I must call Mike's place first and then send him the draft letter. I think you should approve the letter first before I fax it to Mike for your dad's approval.

PPS. Since dictating this email, Mike Slegers was in my office explaining that he had to disconnect his phone in view of the repeated calls that he is receiving from you. I have advised him that, since your father is still having difficulty with his phone (and they are having it replaced), Mike must re-plug his phone in to allow you to contact your father. May I suggest that, since Mike is only simply acting as an agent for your father, you speak only with your father regarding the process of finding him accommodation or regarding any other matters. That should resolve the problem of contacting your father. I can also confirm that Mike has no knowledge and in fact denies, that there have been any changes to the credit union account. I have asked Mike to take your father to the credit union to restore your Internet connection.
