Marlene in the last four years, which include her dropping off inch-thick binders of material to policy, relatives, friends and even strangers, accusing me of all sorts of offenses against her. I have chosen to ignore that behaviour in that the people who receive these items often know me and advise me that they pay no attention to them when received.

15. That I have been advised by the RCMP in Headingly, Manitoba, that Marlene asserted to them that she had some form of Order in British Columbia declaring my father mentally incompetent and providing her power over his Estate. Nothing has been provided, nor can my counsel find anything in the British Columbia Courts that would suggest that Marlene would have any power of my father other than Power of Attorney, which she has suggested she holds over his affairs provided at the hearing of this matter.

16. That I would welcome the Office of the Public Trustee to become involved in this matter given that I believe my sister, Marlene, is physically and emotionally abusing my father.

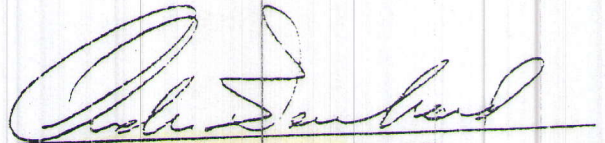

- 7 -

17. That I have done nothing and can find nothing to suggest that I have, in any way, been guilty of elder abuse or any acts that would support a Protection Order.

18. That I make this Affidavit *bona fide*.

affidavit. She is trying to turn our community against us. Her actions are malicious and vindictive and can only harm our family and our father.

45. I believe Marlene wishes to live on Andy's farm herself to avoid prosecution from the actions in B.C. I further believe that Marlene is unbalanced.

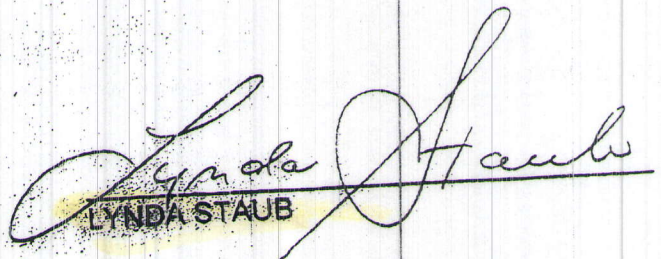

46. My concern is, and always has been for my father's welfare, health and safety. I believe my father is not competent to make his own decisions at this time because he is under my sister Marlene's influence and do not know if there is Power of attorney or Health Care Directive in force.

47. I do verily believe that it may be necessary to have the Public Trustee involved in my father's care to ensure that he is not being used by anyone.

48. I make this Affidavit bona fide and in support of my Application for to set aside the Protection Order made against me made on October 31, 2009.

9. That I have done nothing whatsoever to entitle the Applicant to an Order for Protection. I have grave concerns about my father's mental capacity and the control being exercised over him by Marlene Legare, and same would be the only reason as to why I would require any contact with my father.

10. That I make this Affidavit *bona fide*.
