TO WHOM IT MAY CONCERN:

This will serve to confirm that I met Marlene Legare at the Maple Ridge Community Church, here in Maple Ridge, June 1996. Since then Ms. Legare has been my financial planner and tax consultant for myself, my husband, sons and step-daughter. In addition, there are several other members of the Church for whom she has provided RRSP's, insurance and tax preparation services. There is absolutely no basis for those slanderous accusations as stated by Crown in transcript of May 10, 2006! We have all been in her office-in-home numerous times over the years and she runs a very efficient and professional business largely based on referrals.

Sincerely,

To Whom It May Concern:

I have known Marlene Legare since 1973. Marlene is a hard worker, and very professional with a highly successful Mutual funds and Insurance sales practice.

We have worked together as associates since 1991, and have attended many meetings together, as well as worked for the same company at times, over the years.

We have visited in each others offices and homes over the years, and I have been privy to her socially, with her and her family. What I know of Marlene is that she is of strong integrity and character, contrary to the accusational slurs that have been unjustly and without merit used to try to discredit her.

Yours truly,

Mrs. Legare has been under my medical care since 1980. During this time she has been seen for routine visits and annual check ups. I have never treated her for any alcohol or drug abuse or any mental illnesses. I have no reason to suspect any of the above.

Sincerely,

Dr. S. [REDACTED]
