Re: Ridge-Meadows Detachment File #2011-8534 - Breach of Protection Orders
FD09-01-92671/75 Lynda Staub & Claire Demery

At 1:30 p.m. April 24, 2011, I received a text message on my cellular #781-6387, which originated from Warren District. I believe this text either originated from Lynda Staub, in breach of Protection Order issued on February 25, 2011, or by Claire Demery as her cellular # is 461-1759. Attached is a picture of the text message received on 781-6387 my cellular.

I have made a report to Constable D. McGowan, file #2011-8534 and would like charges laid against the author of this text message - a clear violation of the protection order issued by Judge Lischenski.

Please investigate this breach and take necessary measures to have charges laid against either Lynda Staub or Claire Demery.

Yours truly,
